October 2023

Our PTO's mission: To cultivate a supportive, inclusive community that comes together to support our students, staff and one another while educating our future generation.

A note from the PTO 😊

Happy October Everyone!

October is always such a fun month, filled with all sorts of fall activities celebrating the harvest season. This month's PTO calendar is also filled with all sorts of fun as well!

We have officially kicked off our Charleston Wrap catalog fundraiser! Charleston Wrap is known for their quality wrapping paper, but is also loaded with all sorts of great products. It is a perfect way to get some holiday shopping done, while supporting our school and PTO. Our school is aiming to reach a \$15,000 dollar goal this fundraiser. After our kick off assembly I know the kids are super excited about it! This month we also have an awesome Math Night planned for our community! More details to come, but be sure to save the date: October 20th. We also hope to see you at our monthly general PTO meeting. These meetings are great for learning about all the fun things going on in your child's school, connecting with your community, and learning about volunteer opportunities. We hope to see you there! We hope you have an amazing October. Happy Fall Y'all!
