Fun Run Fundraiser

October 17-25

Week-long fundraising event where classroom teachers show a short video each day and students collect pledges toward their run on Friday. On Friday students are brought down to a fully decorated gym in smaller groups (most likely grades) to run as many laps as possible for 30 minutes. The run is a lights out glow run, managed by a third party. Pledges are suggested to be collected online through a website announced later. Run is during the school day. Chair needed to find volunteers to hand out daily prizes. Staff will each get an event shirt. Looking at community sponsors to cover the cost of shirts and prizes for kids.

Next General Meeting: November 15
